Commandants Message

Good Day Marines,

I hope this finds you all well.

Things have slowed since Christmas with another successful Toys 4 Tots campaign behind us. That being said I have been getting a flurry of emails from our Department forwarding various VA and National League memos. Hopefully you are getting

those that you find informative. If not please let me know. As a result of concerns raised by National our Department Commandant has scheduled a conference call for all members for Monday February 1st. The issues to be discussed will be (1) the need for a Midwinter convention (2) Department Convention planning;(3) Detachment status and activity reports ; (4) membership levels; (5) meeting attendance and (6) instruction for Commandants and Paymasters regarding utilization of the National MCL data base for everyday Detachment utilization and their membership. I will report back to on the results of the meeting. For all you who fall into the group of early vaccine qualifiers you need to check with the VA health services about getting your vaccine. You can also call your local health care providers and see about getting on the list of those waiting to be receive their vaccine. Here in Billings the contact numbers are as follows; St. Vincent Healthcare, 406-237-7050; Billings Clinic, 406-435-5744; Riverstone Health, 406-651-6596. BE PREPARED TO BE ON HOLD.

Stay Tuned! SEMPER FI.

Chaplains Report:

Marines & families,
I hope this finds everyone well. There's not a lot to report, funerals, meetings, etc. To be honest feeling a little lazy and don't want to bore you. Lot of personal things to attend to.

Also. If the bug is ever eliminated and things open up, then I will have more important things to relay to all. Until next time, stay safe and healthy and drop a line or call, I like to here from all.

Jr. Vice Commandants Report:

Marines,
Sorry about the delay on getting this letter out later than usual. Have been having some issues with one of my eyes which slowed things. I have also been trying to line things out for the **Annual Sweethearts dinner. It looks like the Billings Hotel & Convention Center** will host the

dinner. Still working on details. We will be doing a catering menu, which usually has a Beef, Chicken And fish or vegan option. **I need to get RSVP's as soon as possible so I can get the numbers to the hotel. I will forward the food options as I get the info. If you plan to attend please let me know by email or text ASAP.** Dinners are \$30 -\$35 a plate for most. Like dinner at the windmill or Red Lobster.

Current issues/Hdq's from National Commandant Tobin

To; Detachment Commandants, Paymasters, and membership
From; National Commandant, Dennis Tobin
Subject; current Issues.

Marines,

First, everyone needs to calm down and relax, I understand the frustration by members waiting to receive membership cards, checks cashed, transmittals returned. National Headquarters is working under some very trying conditions. Covid restrictions are still in effect especially in Virginia. So, I will try and explain some issues and hopefully ease some tensions and some unwanted emails and phone calls to Hdq's.

1- Mid Winter conference— We cannot rush into a no/go decision without it costing us thousands of dollars, we have contractual issues. Currently we are working closely with the Hotel. We are waiting on the Governor to adjust or not adjust the current restrictions in Virginia. Currently it stands at no more than 10 persons at a meeting. The Board of Trustees has another Zoom meeting scheduled for 2 Feb. to discuss the conference again. IF there is any way to hold a face to face conference we will.

2—Transmittals and membership cards,

a) Currently Hdq's staff is working on transmittals received as of this past Monday, dated, December, November, October, September, August, and even July, again please take note that these were just received at Headquarters on Monday

b) Membership Cards—Printing of the cards is a slow process. working the transmittals is not once we have them. During the months of Nov, Dec and Jan there were major slow downs in the postal system.

c) Gold Cards, 1/2 half been processed and there are currently 600 at the printer, they were on the December transmittals and went to the printer as a Jan. order.

d) Checks— under a new system, checks are deposited as soon as they are received, a form is then filled out with the check info and stapled to the transmittal identifying the check.

3—Where is the roster? right in front of you, its in the data base for all Detachment and Department paymasters to look at and print out if needed. there is going to be a time (very soon) when the only roster coming from National will be the one for voting strength for the convention.

All Detachment and Department paymaster must learn to us the data base portal for their needed info.

4— How to use the portal, there are directions posted on the members library on the National website. If you have a problem COO Bob Borka stands ready and willing to talk you through it.

Please read and understand that our staff is working hard for you under strict conditions.

Please, avoid nasty phone calls and emails to National Headquarters.

go through your chain of command for answers and help.

Last but not least remember we are still under COVID RESTRICTIONS, SLOW DOWNS AND EVEN SHUTDOWNS.

When calling Headquarters, Please be RESPECTFUL!!!!!!!!!!!!

Semper Fi

Dennis Tobin

National Commandant

Thanks again, to all of our members and sponsors for all of your continuing support throughout the past and current year. You are all important to our continuing programs and events.
